

(c) In addition to audit information, as described at § 668.850 and program reviews, accountability to the Department is documented and fulfilled by the submission of reports. For the purposes of report submission, a postmark or date indicating receipt by a private express delivery service is acceptable proof of timely submission. These report requirements are as follows:

(1) Each INA grantee must submit an annual report on program participants and activities. This report must be received no later than 90 days after the end of the Program Year, and may be combined with the report on program expenditures. The reporting format is developed by DINAP, in consultation with the Native American Advisory Council, and published in the FEDERAL REGISTER.

(2) Each INA grantee must submit an annual report on program expenditures. This report must be received no later than 90 days after the end of the Program Year, and may be combined with the report on program participants and activities.

(3) INA grantees are encouraged, but not required, to submit a descriptive narrative with their annual reports describing the barriers to successful plan implementation they have encountered. This narrative should also discuss program successes and other notable occurrences that effected the INA grantee's overall performance that year.

(4) Each INA grantee may be required to submit interim reports on program participants and activities and/or program expenditures during the Program Year. Interim reports must be received no later than 45 days after the end of the reporting period.

**§ 668.620 What performance measures are in place for the INA program?**

Indicators of performance measures and levels of performance in use for INA program will be those indicators and standards proposed in individual grantee plans and approved by us, in accordance with guidelines we will develop in consultation with INA grantees under WIA section 166(h)(2)(A).

**§ 668.630 What are the requirements for preventing fraud and abuse under section 166?**

(a) Each INA grantee must implement program and financial management procedures to prevent fraud and abuse. Such procedures must include a process which enables the grantee to take action against contractors or subgrantees to prevent any misuse of funds. (WIA sec. 184.)

(b) Each INA grantee must have rules to prevent conflict of interest by its governing body. These conflict of interest rules must include a rule prohibiting any member of any governing body or council associated with the INA grantee from voting on any matter which would provide a direct financial benefit to that member, or to a member of his or her immediate family, in accordance with 20 CFR 667.200(a)(4) and 29 CFR 97.36(b) or 29 CFR 95.42.

(c) Officers or agents of the INA grantee must not solicit or personally accept gratuities, favors, or anything of monetary value from any actual or potential contractor, subgrantee, vendor or participant. This rule must also apply to officers or agents of the grantee's contractors and/or subgrantees. This prohibition does not apply to:

(1) Any rebate, discount or similar incentive provided by a vendor to its customers as a regular feature of its business;

(2) Items of nominal monetary value distributed consistent with the cultural practices of the Native American community served by the grantee.

(d) No person who selects program participants or authorizes the services provided to them may select or authorize services to any participant who is such a person's husband, wife, father, mother, brother, sister, son, or daughter unless:

(1)(i) The participant involved is a low income individual; or

(ii) The community in which the participant resides has a population of less than 1,000 Native American people; and

(2) The INA grantee has adopted and implemented the policy described in the Two Year Plan to prevent favoritism on behalf of such relatives.

(e) INA grantees are subject to the provisions of 41 U.S.C. 53 relating to kickbacks.
